THE 20TH EDITION

The DFSG Meeting stands as a beacon of interdisciplinary cooperation within the realm of diabetic foot care. Bringing together diabetologists, podiatrists, specialist nurses, orthopedic and vascular surgeons, and all other professionals with a vested interest in addressing the challenges faced by diabetic patients with foot complications. This gathering promises a rich exchange of insights and expertise.

Experience interdisciplinary collaboration with experts in diabetology, podiatry, nursing, surgery, and more, all focused on diabetic foot care.
